**TO:** Los Osos Wastewater Project Technical Advisory Committee

**FROM:** John Waddell, Project Engineer *JW*

**DATE:** May 15, 2007

**SUBJECT:** Los Osos Wastewater Project Technical Advisory Committee Review of Project Alternatives

## Recommendation

It is our recommendation that this Technical Advisory Committee (TAC) continue its review of project alternatives by developing final criteria for the Pro/Con analysis.

## Discussion

Today's TAC meeting will continue the discussion and review of the project alternatives. Discussion is anticipated to include the following topics:

- Chairperson Comments (5 minutes)
- Review and Accept TAC Core Values and Draft Criteria for Pro/Con Analysis (45 minutes)
- Public Comment Period (30 minutes)
- Presentation by Project Team on Draft Fine Screening Analysis (15 minutes)
- Comments from TAC on Project Team presentation (15 minutes)
- Public Comment Period (30 minutes)

The discussion of project alternatives is intended to include the entire scope of the TAC. Therefore, all public comment will be considered to be relevant to the agenda.

## Results

The TAC's review of project alternatives will help provide objective information to the Community of Los Osos.
